

Rear Deck Light Systems

DL15-30W-ARB

The STARBURST™ DL15-30W series Warning LED light & LED Traffic Director is an all in one, 28", low profile (only 1-1/2" tall), 30 high intensity STAR generation-3, LED unit. It can be used as a warning light with 30 different customer selectable flash patterns or, with the flip of a switch, function as a Traffic Director with 3 different traffic director modes each having six different custom patterns from which to choose from. Rotationally adjustable and waterproof, this unit can be utilized in a variety of applications. Current limit protection over entire operating voltage and reverse polarity protection gives you worry free operation. The STARBURST™ DL15-30W is offered in a variety of colors and color combinations. The DL15-30W can also be used primarily as a Traffic Director. Simply order all Amber LEDs or a color combination of 18 center LEDs Amber and then choose color combinations of RED/RED, RED/BLUE, or BLUE/BLUE for the remaining outer 6 left side and 6 right side LEDs. An optional traffic director switch panel is available (SP1515- TDC). Ships complete with 15'-six conductor cable, 3 sets of mounting legs, hardware, and instructions.

Specifications:

- Size:** 1-1/2"H x 28"W x 1-1/8"D
- Weight:** 3 lbs.
- Voltage:** 10V - 16V DC
- Amp Draw*:** 4 Amps (max with all LEDs illuminated)
- Colors:** All Amber, All Blue, All Red, OR
- Combinations of:** Amber/Blue, Amber/ Red, Red/Blue, Red/White

*Amp draw will vary depending on the colour of the LED heads used and the flash pattern selected.

2-7/8" permanent mount legs
1-3/4" permanent mount legs.

- Approvals:** SAE J595, SAE J1318, and California Title 13 for RED and BLUE
(Does not apply to all flash patterns)

DL35-CV Integrated Interior LED Light System for 2005, 2006 and 2007 Ford Crown Victoria

- # Extremely wide light distribution
- # Highly efficient optics
- # Impact resistant housing
- # No drill mounting
- # Quick and easy installation
- # Flashback hood
- # Reverse polarity protection
- # Hi/Lo power select wire
- # 15' Cable
- # Flash pattern select wire
- # 35 Customer selectable flash patterns featuring two patterns that are Title 13 compliant
- # Voltage: 10V-16V DC
- # Light weight: less than 3 lbs.
- # Amp draw: 0.8 Amps
- # Dimensions: 3" H X 21" W X 7" D
- # Single color for each head
- # Color combinations: Amber, Blue, Green, Red, and White
- # Ships complete with mounting hardware and instructions
